

NPSL SCHOLARSHIP OPERATING PROCEDURE

Applications will be reviewed by the NPSL Operations Committee and Board of Directors individually based on the below scoring scale. BOD members should exclude themselves from reviewing any applicant if involved directly with that applicant as a coach, mentor, family friend or other relationship which would impact impartiality. Top applicants will be then discussed by the BOD as a group. If felt necessary by the BOD, additional evaluation of top applicants by outside impartial individuals may be used to narrow down finalists.

Application will be based on a weighted score.
